Current Position

Ms. Anton is a managing director of InvotexIP, LLC (“Invotex”). Invotex assists intellectual property owners with a full range of financial IP advisory services, including royalty audits and license compliance.

Professional Experience

Ms. Anton has more than 21 years of business management, financial analysis, accounting, and auditing experience. She now specializes in royalty audits and royalty compliance consulting. Her intellectual property experience spans a range of industries including cell phone technology, computer graphics, pharmaceuticals, biotechnology, and consumer goods.

Ms. Anton began her career as an accountant and auditor specializing in small to medium sized companies. These engagements focused on developing efficient and effective accounting and reporting systems as well as systems of internal controls. Understanding financial systems from the ground up has given Ms. Anton a solid foundation during her professional evolution into business management and consulting.

Her historical roles have included implementing and managing internal accounting systems and controls; developing financial reporting packages, cash flow projections and budgets; negotiating vendor contracts and monitoring contract compliance; and advising and supporting high level management.

Ms. Anton is a Certified Public Accountant with a BS in commerce with a concentration in accounting from the University of Virginia. She is a member of the American Institute of Certified Public Accountants (AICPA).
